TOWN WARRANT

The State of New Hampshire

To the Inhabitants of the Town of Loudon in the County of Merrimack in said State, qualified to vote in Town Affairs:
(L.S.)

You are hereby notified to meet at Town Hall in said Loudon on Tuesday, the 4th day of March, next at nine of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.

2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.

3. To see if the Town will vote to allow 2% discount on all property taxes paid within thirty days after presentation of tax bill.

4. To see if the Town will vote to authorize the Selectmen and the Town Treasurer to borrow a sum or sums of money not to exceed in the aggregate more than 75% of the anticipated amount to be collected in taxes for the current municipal year and to issue in the name and on the credit of the Town of Loudon negotiable notes therefor, said notes to be paid in 1975 from taxes collected during the current municipal year.

5. To see if the Town will raise and appropriate the sum of \$357.00 for the Concord Hospital to help defray their estimated deficit for the year 1975.

6. To see if the Town will raise and appropriate the sum of \$2,000.00 for the Fire Department Capital Reserve Fund as set up in the 1963 Town Meeting.

7. To see if the Town will vote to establish a Capital Reserve Fund for the purpose of building a Town Building. Said building to be a combined Fire Station and Town Government Building.

8. To see if the Town will raise and appropriate the sum of \$10,000.00 for the Town Building Capital Reserve Fund.

9. By Request: To see if the Town will raise and appropriate the sum of \$500.00 for the Loudon Conservation Commission, to be used for the purpose of acquiring land for conservation purposes. Any money not spent may be held for future acquisition.

10. To see if the Town will vote to raise and appropriate the sum of \$759.60 for the continuation of services to low-income residents of Loudon through the Concord Area Center of the Community Action Program, Belknap-Merrimack Counties, Inc.

11. To see if the Town will vote to prohibit all camping within the rights-of-way on both state and local roads within the town limits. Each day constitutes a separate offense, and each offense is subject to a fine of not more than \$50.00.

12. To see if the Town will adopt the following camping and campground ordinance:

1. No person shall camp or remain overnight, whether in a tent, vehicle or otherwise, unless such activity shall be conducted in an approved campsite or campground.

2. Application for a permit to operate such a campsite or campground shall be made at least fifteen days prior to its use or occupancy. The fee for issuance of such a permit shall be \$5.00. Bona fide charitable organizations shall be exempt from said fee, but must apply for such a permit. Such application shall contain the following information:

a) The name, address and telephone number of the applicant; if the applicant is a corporation, the names and addresses of the officers and shareholders.

b) The name and address of the persons directly in charge of the proposed campsite or campground.

c) The location and legal description of the proposed campsite or campground and the interest of the applicant relating to such property.

d) The dates during which the proposed campsite or campground shall be occupied.

e) An outline map of the area to be used in an appropriate scale showing the location of all sanitation facilities, all water supply sources, all assembly areas, all sleeping areas, all refuse storage and disposal areas, all parking areas and all access roads.

f) The total number of persons such proposed campsite or campground may accommodate.

g) A statement of the sanitation facilities to be utilized including the ratio of persons to each facility and plans for construction of such facilities showing that the construction and operation of such facilities constitute no threat of pollution to any watercourse or to surface or underground water locations.

h) A permit from the State District Fire Chief or Loudon Fire Warden if open fires are to be utilized within the proposed campsite or campground.

i) Detailed plans for fire prevention including the location of fire extinguishers and other fire fighting apparatus.

j) A statement from the New Hampshire Department of Health and Welfare that the proposed campsite or campground satisfies its rules and regulations.

k) Evidence of public liability and property damage insurance in an amount reasonable to the risks and hazards involved.

l) The selectmen may waive any of the above requirements if satisfied that the proposed activity is consistent with public health, safety and welfare.

3. The Board of Selectmen shall enforce the provisions of this ordinance. If the Board of Selectmen find that the campsite or campground is being operated or occupied in violation of law or being operated or occupied in violation of law or in a manner not set forth in the application, they may revoke the permit.

4. If any person shall violate the provisions of this ordinance he shall be punishable upon conviction by a fine not exceeding \$50.00 per day for each violation. Each day of violation shall constitute a separate offense.

13. To see if the Town will adopt the following Race Track By-Laws.

1. Before every motor vehicle race the operator of any racetrack shall secure a license from the Selectmen not less than one week before the race. The fee for issuance of such a license shall be \$5.00.

2. The operator of any race track shall have suitable accommodations for all spectators including toilet facilities, water, and parking of motor vehicles of spectators and persons in attendance.

3. If the race is sufficient size and duration so that overnight spectators are anticipated, the operator of the race track shall furnish a suitable campground area and facilities for said overnight spectators.

4. In advance of any race, the operator of a race-track may be required to pay the Selectmen a reasonable sum to cover the expense of police, fire protection, and trash and rubbish disposal.

5. In advance of any race the operator of a race-track may be required, where a large attendance is anticipated, to post a bond in a sufficient and reasonable sum to protect the Town of Loudon from liability under RSA 31:53 for damage to property caused by mobs or rioters.

6. Each infraction of the foregoing racetrack by-laws shall constitute a violation, and the penalty for each offense shall be \$50.00. If an operator of a race track repeatedly violates these by-laws or in the event irreparable harm to the town is threatened by a violation of said by-laws, the selectmen may seek an injunction against the operation of said racetrack.

14. By Request: To see if the Town will vote to use the nonpartisan system of balloting for choosing town officers.

15. To see if the Town will authorize the Selectmen to build a new Town Garage at a cost not to exceed Thirty Thousand (\$30,000.00) dollars.

16. To see if the Town will authorize the Selectmen to spend the \$10,000.00 of Insurance money received from fire loss of garage to pay on new garage and to bond the Town for not over \$20,000.00 plus interest for the remainder of the cost of the new garage to be repaid over the next 10 years.

17. To see if the Town will authorize the Selectmen to buy a new grader to replace the one lost in the town garage fire at a cost not to exceed Sixty Thousand (\$60,000.00) dollars. *Handwritten: Fifty*

18. To see if the Town will authorize the Selectmen to spend the Thirteen Thousand (\$13,000.00) dollars of Insurance money received from the loss of the grader in the fire to pay on new grader and bond the Town for not over \$47,000.00

Handwritten: 37,000.00

plus interest for the remainder of the cost of the new grader to be repaid over the next six years.

19. To see if the Town will authorize the Selectmen to appoint a committee of at least six citizens to help the Selectmen buy a used grader for not more than Thirty Thousand (\$30,000.00) dollars.

20. To see if the Town will authorize the Selectmen to spend the Thirteen Thousand (\$13,000.00) dollars of Insurance money received from the loss of the grader in the fire to pay on a used grader and bond the Town for not over \$17,000.00 plus interest for the remainder of the cost of the used grader to be repaid over the next two years.

21. To see if the Town will vote to join the Concord Regional Visiting Nurse Association for the purpose of providing nursing and therapeutic services at home, and other health programs through clinics to all residents of the town of Loudon, and to raise and appropriate not more than \$2,500.00 (\$1.25 per capita, population of 2,000) therefor.

22. To see if the Town will vote to authorize the Selectmen to negotiate a contract with the City of Concord for use of its sanitary landfill facilities for a period of three years beginning July 1, 1975 at an assessment not to exceed \$2.16 per capita for the first year and to raise and appropriate said sum of \$4,320.00 for such purpose.

23. To see if the Town will vote to continue its membership in the Capital Regional Refuse Disposal Planning Board and to authorize the Selectmen to ^{commitment new} continue the appointments of a special advisory committee of three members to serve on the Board.

24. To see if the Town will vote to authorize the Selectmen to a three year contract for the purposes of rubbish removal and transportation to the sanitary landfill facilities in the City of Concord at a sum not to exceed \$15,000.00 annually and to raise and appropriate said sum of money for these purposes, provided however, that the Selectmen shall have the right to accept or reject any bids.

25. To see if the Town will raise and appropriate the sum of \$25,500.00 for the Highway Capital Reserve Fund. ^{\$ 5000.00}

26. To see if the Town will authorize the Selectmen to purchase a sander for an amount not to exceed Five Thousand (\$5,000.00) dollars and use ^{Highway} Capital Reserve Funds to pay for it.

27. To see if the Town will vote to establish a full time police department (40 hours per week on a regular basis) for additional cost not to exceed Ten Thousand, Three Hundred (\$10,300.00) dollars.

28. To see if the Town will authorize the Selectmen to repair loader that went through fire for a cost not to exceed \$22,000.00 with money received from Insurance Company.

29. To consider and vote by ballot on the

following resolution: RESOLVED, that the ordinance requiring all future transmission lines of 7200 volts or more be underground adopted at the special meeting on Tuesday, January 7, 1975 be repealed.

30. To see if the Town will vote to designate Piper Hill Road as scenic under the provisions of RSA 253: 17 & 18, for the purposes of protecting and enhancing the scenic beauty of Loudon.

31. To see if the Town will vote to designate Upper City Road, not including the section which passes through Gilmanton, as scenic under the provisions of RSA 253: 17 & 18, for the purposes of protecting and enhancing the scenic beauty of Loudon.

32. To see if the Town will vote to designate the Ridge Road as scenic under the provisions of RSA 253: 17 & 18, for the purposes of protecting and enhancing the scenic beauty of Loudon.

33. By Petition: To see if the Town will vote to reopen Bee Hole Road from the foot of Chichester Road for approximately $\frac{1}{3}$ mile on the condition that the town is saved the work of cutting the trees and brush.

34. By Petition: To see if the Town will vote to reopen Bee Hole Road from the foot of Chichester Road for about $\frac{1}{3}$ mile. Road being reopened on the condition that the trees and brush are cut and the road is put into a condition similiar to that of other dirt roads in Loudon such as the open part of Bee Hole Road.

35. To see if the Town will vote to authorize the withdrawal from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972 for use as set-offs against budgeted appropriations for the following priority purposes and in amounts indicated:

Appropriation	Amount
Loader Note	\$ 5,468.20
Fire Department Alert System	500.00
Highway Department	5,956.40
	\$11,924.60

36. To transact any other business that may legally come before said meeting.

Polls will open at 9:00 A.M. and will not close earlier than 7:00 P.M.

Given under our hands and seal, this 6th day of February, in the year of our Lord nineteen hundred and seventy-five.

OFFICE OF SELECTMEN

The selectmen, in behalf of the town, express their appreciation and thanks to the Loudon Center Grange for having the Town Hall painted, new shades for the windows and the floor oiled. It certainly is a great improvement. The outside of the building and roof was painted during the summer, the church and town, each bearing half the expense, also a new weathervane was put up. The selectmen's office was also painted and the floor oiled.

The fire department responded when needed and we feel will always do their best.

The highway department was plagued by a fire which destroyed the garage, ruining the grader and loader, as well as countless tools and materials, also three vehicles belonging to the highway agent and his helpers. We hope the town will replace the loss with a fire resistant building.

We are again faced with an increase in the school budget, hopefully, less than last year.

We are faced with the closing of the dump July 1, 1975. We have two choices, either joining with Concord, or going by ourselves.

The tax map is still pending. We are still studying the best possibilities. It has to be ready by 1980.

Our planning board has come up with a new camping and campground ordinance. The planning board, selectmen and citizens have spent a lot of time getting this material together, which we hope

the town will adopt. Like copies have been sent to several surrounding towns on request for adoption. There will be no A.M.A. races this year at the park.

Our police cruiser is equipped with radar which should help control speeders. At present we have a full time officer, due to many complaints.

The selectmen's office is open each Saturday from 9 to 12. When inventory blanks are sent out, please fill out completely as the information is of great help to us in keeping the records straight.

Thank you,

GUY DEERING
ARNOLD STORRS
RAYMIE RATTEE

REPORT OF HIGHWAY DEPARTMENT

The Highway Department report for 1974 is as follows:

Town Road Aid (TRA) Project was the completion of the TRA-1973 project with the tarring of the Loudon Ridge Road from the Cate residence to Route 129. The TRA Project for 1975 will be on Clough Hill Road from Route 129 to the Town Hall.

The Duncan Fund account was utilized by (1) Paving the Old Shaker Road from the Canterbury end to the bridge, and (2) Finished cutting the right of way and did bulldozing on the Bee Hole Road Extension. 1975 will see the necessary drainage and graveling done to complete the Bee Hole Road Extension.

Also spent \$4,000.00 for tar put on various Town Roads.

There were numerous culverts put in this year. We cut numerous banks on Currier Road, McKenzie Road and Young's Hill Road. Approximately 192 yards of Cold Patch were put out on the tarred roads. Approximately 200 ton of salt was used this winter.

As you know the Town Garage burned on December 16 and all town equipment was destroyed, except for two dump trucks and one sander truck and therefore we are behind in keeping the roads plowed, salted and sanded this winter.

CHARLES R. HAMMETT
Road Agent

Librarian

Since we have completed all the requirements, the library is now qualified as a member of the affiliated libraries under the Statewide Library Development Program. To accomplish this, we installed toilet facilities, water, and a telephone (#798-5153). Faulty electric wiring was replaced, the roof repaired, and the ceilings are being painted.

The library, staffed by Marguerite E. Buzzell, is open fifteen hours a week; Monday, 2-5 and 6-9; Wednesday, 2-5 and 6-8; and Friday, 1-5.

For the newly-required registration of the state-wide library card, Mrs. Buzzell has acknowledged thirteen Loudon resident applications.

During the year, the bookmobile made three visits to the library, with a total of 2,790 books borrowed.

June 22, the library celebrated its sixty-fifth anniversary with an "Open House". More than sixty people visited the library, where refreshments were served, and door prizes awarded to the following people:

Charlene Isabelle
Dorothy Downes
Helen Hoffman

Nancy Horton
Andrew Downes

FIRE DEPARTMENT REPORT

1974

Your Volunteer Fire Department has had a very busy year. We answered 57 calls. This is almost double the calls of the previous year. There were four bad house fires and the Highway Department Garage which gave us our greatest problems. Without the help of the Concord Area Mutual Aid Compact we would have far greater losses.

Along with our great fire losses, we lost three dedicated fireman: Deputy Chief (retired) George Brown, one of the founders of the Loudon Fire Department passed away. Dept. Chief Royal Page, who headed and helped form the Ridge Area Station several years ago, passed away. Also, Chief (retired) Harlan Downes, an active member for over 30 years and the backbone of the Department for many years, passed away. The work of these men and their volunteer time in building the Loudon Fire Department to what it is today, will not go unforgotten.

During the past year, residents in the zone of two to three miles from the Fire Station received a reduction in the insurance rates. There are roughly 108 homes in this area, as of our last census — there could be many more now. These homes are insured for a little over one and one-half million dollars. There was a saving on insurance premiums in this area of over \$3,500. This was brought about by our being in the Central Dispatch, Concord Area Mutual Area Compact, and the up-grading of your fire dept. This up-grading comes from attendance at training schools and up to date equipment. We are

now working to get the rating extended to a five mile area radius from the fire station.

We hope you will support the Articles establishing a Capital Reserve Fund for a COMBINED TOWN GOVERNMENT BUILDING AND FIRE STATION. All departments of this town need and deserve better quarters. A new fire station will have to be built within the next ten years. The present station is slowly becoming inadequate and deteriorating fast. To stay abreast of our Fire Service Rating and to enjoy good Fire-Protection and Lower Insurance Rates — we must start financial plans NOW for the near future.

Once again, I would like to remind you to make and rehearse a home fire escape plan. Be sure all members of the family understand that the first rule (in case of Fire) is to get everybody out of the house — then call the Fire Dept.

We, in the fire service, enjoy working for you. Your support in your Volunteer Fire Department is very much appreciated.

Sincerely,

Warren M. Jenkins, Chief

ANNUAL REPORT OF LOUDON FIRE DEPARTMENT

To the Honorable Selectmen:

AUDITOR'S REPORT

This is to certify that we have examined the records of the Town Clerk, Treasurer, Tax Collector, Selectmen, Library Trustees, Trustees of the Trust Funds and found them to be correct.

Respectfully submitted,

PHILLIP MULKHEY
RONALD MORE

Auditors

POLICE REPORT

The Police Department would like once again to thank the people of our town for the added interest and cooperation we have been given.

An extension telephone has been added in another officer's house from the main police telephone, which is now manned 24 hrs. per day.

Again, I would like to stress the importance of giving your name, nature of your call and exact location when calling the Police Department so our dispatcher may give you the prompt and efficient service you deserve.

Chief Robert Fiske, 783,4476
William Hawley

Sincerely,
ROBERT N. FISKE
Chief of Police

LOUDON CONSERVATION REPORT

The year of 1974 has been an interesting and active one for your Conservation Commission, with both successes and failures.

The Loudon zoning package, that is a plan for some form of zoning to provide for future rural areas in the town, was eventually killed by the Planning Board. There were a variety of reasons for its failure but foremost seemed to be a lack of concern for the town's country background.

The \$750.00 Ford Foundation grant was completed this year when the report, "Loudon, An Agricultural Survey", was printed and distributed to interested townspeople and state institutions. The commission is proud of this report and by a strong volunteer effort we were able to return over \$600.00 to the foundation. Hopefully, we will qualify for future grants from large institutions like the Ford Foundation. We and the town thank them.

We again tried to send a local child to conservation camp and again ran into a snag. A young girl wished to go, but unfortunately all female places were filled before we could get her enrolled.

Commission business was slow this summer with members away on vacation but picked up this fall with the Public Service Company's proposal to acquire a right of way for power lines through the Bumfagon swamp. This proposal threatened a unique heron rookery as well as one of our best deer yards and for these reasons the Commission opposed the plan. Several of the members were quite active in

the ensuing special town meeting which resulted in a town ordinance requiring Public Service to install underground power lines. Unhappily the future of the power line is still in question at this time.

In a meeting this fall the Conservation Commission voted two significant proposals. The first requested the town planning board to start work on a town plan for orderly growth with some consideration for rural and wild areas as well as historical sites. We have offered whatever time and help we can provide toward this end. The second was the Commission's decision to review all major subdivisions from the point of view of conservation and suitability of the soil in an effort to provide additional information to the planning board.

In this last month we have unfortunately lost the services of our chairman, Harvey Bergeron. This last year has been a good one under his leadership.

Meetings are held on the third Monday of each month. The public is invited to attend.

The Loudon Conservation Commission

REPORT OF PLANNING BOARD 1974

Members:

STANLEY PRESCOTT, Chairman
ROBERT HIBBARD, Secretary
LEVI LADD
RICHARD MURPHY
ROBERT ORDWAY
MARSHALL BEALE
SELECTMAN DEERING

Subdivision pressures were very much apparent this year as the Loudon Planning Board handled in excess of thirty building permits to individual lot owners. The unprecedented rate of growth of single family dwellings may well change the life style of the town of Loudon.

The board believes that the subdivision regulations have been effective in fairly controlling the development of our town.

Respectfully submitted,

ROBERT HIBBARD

Secretary

REPORT OF THE CENTRAL NEW HAMPSHIRE REGIONAL PLANNING COMMISSION

This was Loudon's first year as a dues paying and voting member of the thirteen town Central New Hampshire Regional Planning Commission (CNHRPC). The Commission's activities in 1974 included approving funds for the N. H. Crime Commission, for sewage treatment plants, for the Head Start program, for the Concord Mental Health Center, and for Town recreation areas. The CNHRPC also assisted local planning boards with land use maps and zoning proposals.

In 1975 Loudon will receive some direct assistance from the commission. First they will provide the Town with an aerial photograph suitable for use as a base map for our tax map (due in 1980).

Second, they will have made, if requested, a land use map.

Third, the CNHRPC, if requested, will assist the planning board in establishing a land use plan for the Town.

Fourth, the commission will provide information concerning availability of funds from the Bureau of Recreation for the purchase of open space land for recreational use.

Respectfully submitted,

**C. MARSHALL BEALE
HARVEY J. BERGERON**

CAPITAL REGION REFUSE DISPOSAL PLANNING BOARD

The deadline to end open burning of refuse in New Hampshire, July 1, 1975, is fast approaching. To this end, the Capital Region Refuse Disposal Planning Board has been investigating various options open to the member towns for the past two years.

The study has now reached a point where clear options are available, certain costs readily defined and decisions can be made.

The results of an earlier study indicated that certain economics could be realized from combining the resources of several towns which would then permit them to effectively deal with the solid waste problem.

The present study was divided into two phases, an initial phase of engineering and transportation study of a selected site or sites. The Capital Region Refuse Disposal Board in cooperation with the Central New Hampshire Regional Planning Commission finally determined the actual sites to be investigated.

Both the Regional Commission and the Capital Region Refuse Disposal Planning Board have reviewed the report and discussed the matter with the consulting engineers. Following these discussions the Concord site was chosen as the single regional site due to its location, size and amount of on-site cover, among other considerations.

The study has progressed to the point that a draft of the landfill operation has been received and has

been reviewed and approved by the State agency in charge of solid waste regulations.

The basis for the landfill operation will then be the study report. Of importance to possible users of such a landfill is the question of costs — How much will it cost my town?

Since the City of Concord presently owns the site, located on Old Turnpike Road, the contributing communities would be reimbursing the City for their share of the space used.

In the most recent conversations, the City Manager has indicated a willingness to participate in an informal regional solid waste solution. It is the belief of the City Manager that were the City not included in a district arrangement at this time that all parties concerned would realize a benefit.

The City has discussed a possible time span of three years, after which the participating members may wish to reevaluate the situation and continue or discontinue the agreement. The City has also discussed a change after one year of the proposed arrangement from a per capita charge to a per tonnage fee. The first year would thus become a means of establishing base data upon which to evaluate the tonnage fee.

In Summary, the conclusions reached by the Capital Region Refuse Disposal Planning Board are:

- the City of Concord be approached for the purposes of contractual arrangements with individual or groups of communities to provide the facility for solid waste disposal;
- the community be assessed at a per capita rate not to exceed \$2.16 per capita for such services;

- a per tonnage charge be instituted as soon as adequate historic records can be established;
- an advisory board may be created to assist the member communities as necessary.

The present consensus would appear to be that each individual community, through its Selectmen, negotiate a means to getting refuse from its town to the landfill. The reasoning behind this appears to be that each and every community would be free to choose its own method be it contract with a private hauler, contract with another town, rental or lease of equipment singularly or in a joint venture with another town(s) or use of town equipment to take the refuse to the City landfill operation. (Private automobiles will not be permitted on the landfill site.)
